

# Hunting Businesses

- Go to LinkedIn and search
- Look at badges. Use badge cloner.
- We can use phishing attacks after researching people.
- Try image reverse search.
- If the linkedin member copy designation and try searching in google.
- [linkedin.com/in/](https://www.linkedin.com/in/) - for people.
- [Open Corporates](#)
- [AI HIT](#)
- Job description we can find lot of information.
